

Message to Buyer

For the Etsy 'Message to buyer' field — applies to all Saltwash print listings.

Thanks for your Saltwash Prints order. Your download includes 5 print-ready JPGs — one for each common size: 5x7, 8x10, 11x14, 16x24, and 18x24. Each file is named for its size, so you know exactly which to send to your printer.

For the best result, print on matte or linen-finish paper. Glossy photo paper flattens the watercolor texture. Standard inkjet or laser works well.

If you reprint at a different size later, please save this message — the paper advice applies to any Saltwash print.
